

PROGRAMS AVAILABLE: Minor

Develop leaders who will serve as commissioned officers in the United States Army upon completion of college.

As one of the premier Army ROTC programs in the country, Creighton's Department of Military Science will educate, train, develop and inspire you to become an officer and leader of character, with an emphasis on ethical conduct.

Your military education will include:

- Classroom instruction
- Leadership laboratories
- Experiential learning focused on developing the mind, body and spirit

This program will appeal to you if you:

- Desire to work for the preservation of peace and national security
- Like intellectual as well as physical challenges

WHAT YOU'LL LEARN

- Learn leadership, discipline, professionalism, teamwork and ethics.
- Compete in Color Guard and Ranger Training
- Take part in cultural immersion activities.

EXPERIENTIAL LEARNING OPPORTUNITIES

- Cadet Leader Training
- Cadet Practical Field Training
- Cadet Internships
- Cultural Understanding & Language Proficiency Program
- Cadet Summer Training
- Cadet Initial Entry Training (CIET)
- Cadet Leader Course (CLC)

CAREER OUTLOOK

Officers in the Army are managers, problem solvers, key influencers and planners who lead other Soldiers and individuals in all situations.

STUDENT ORGANIZATIONS AND ACTIVITIES

The Color Guard

The Color Guard participates in a variety of events from Creighton basketball games to private ceremonies for large organizations, and is respected throughout the area.

Ranger Challenge Team

The Ranger Challenge Team competes against other ROTC programs throughout the Midwest. In written tests cadets test their Army knowledge, and there are physical fitness drills and field exercises.

National Society of Pershing Rifles

The National Society of Pershing Rifles develops outstanding traits of leadership and discipline within the framework of a military-oriented, honorary fraternity.
